Protecting Your Eyes

WINKEASE CLUB \$5

We have been talking with you and trying to teach you about how important it is to protect your eyes. With the intensity of the lights so close to your eyes, you will end up with cataracts or macular degeneration if you do not use UV protection on your eyes inside as well as outside!

As part of our effort to instill the importance of eye protection, we are starting the WINKEASE CLUB - \$5 a month (30 days) gets you unlimited winkease (a pair every time you tan)!
